

QUALITY POLICY

The Company's management and employees are committed to the satisfaction of the customers and related parties.

The Quality Policy:

Elmo Motion Control Ltd, is committed to meeting the requirements and expectations of its customers and related parties, by continuously improving its products, services, and business processes.

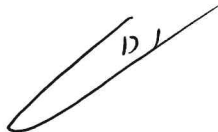

The Quality Concept at Elmo is:

- Accessibility of quality policy to all employees
- Understanding who the customers are
- Understanding the customers' requirements and expectations
- Consistently meeting those requirements and expectations, on time, all the time.
- Reducing risks in the development process and production advantage of opportunities in favor of the company and its customers.

In order to comply with this quality policy, Elmo has implemented a Quality Management System (QMS) that complies with ISO 9001: 2015. Elmo's QMS integrated into the company's processes and monitored to achieve continuous improvement.

Best regards,

Yaron Ohana
Quality & HSE Manager

Ronen Boneh
CEO
