

CE DECLARATION OF CONFORMITY

Product: The following are the Motion Controller Model, Platinum Line Products, followed by XN, where X is a single digit suffix

	Part Number	Product Name
	P-MAS0N	Platinum Maestro
	P-MAS1N	Platinum Maestro with IO
	P-LION1N	Platinum Lion with IO
X	X is a single digit which denotes whether the Input/Output board is present or not.	
N	N denotes whether an IEC Application License is present or not, and if present the type of license.	

The products mentioned above are in accordance with the EU Low Voltage Directive (2014/35/EU), and EU Electromagnetic Compatibility Directive (2014/30/EU).

Conformity of the products designated above is under the following Platinum Line standards:

Standard	Details
EN 61800-3:2017	Adjustable speed electrical power drive systems - Part 3: EMC requirements and specific test methods.
In compliance with ROHS Directives 2011/65/EU and 2015/863	Restrictions on Application of Hazardous Substances in Electric and Electronic Equipment (RoHS)

Name and Address of the Manufacturer:

The product is intended to be used as a component with suitable motors, controller and other equipment to complete end products or systems. To comply with the safety and EMC regulation, the end user must install and configure the product correctly, including using input filters. A qualified person, who is familiar with the EMC and safety requirements, must install the product and be responsible for ensuring that the end product complies with all the relevant local laws, where it is intended to be used.
